Response to IDALS Employee Request for Consent to Sell

Aaron Allen Siek **Request Number:** CTS-05-081A-1

Division: Market Development & Administrative Services
Bureau: Marketing

Date of Request: 1/3/2006
This request is: Granted Conditionally
Options: 1) Granted; 2) Granted Conditionally; 3) Denied

If granted, date consent terminates: October 1, 2006, unless the employee's job responsibilities change, then a new form must be completed.

Rationale for decision or conditions: Employee is granted permission to sell conditioned on prohibition on selling at markets in his assigned work area on days he is assigned to report from those markets. Employee asked for a review of previous conditions in CTS-05-081A. Employee sought modification since employee does not regulate the markets in which he works. He sought limitation that prohibited sales only on days he is reporting sales from the market. This is the limitation used by USDA for market reporters. IDALS agrees with the request.

Date of response to employee: 2/23/2006

If this request is granted conditionally or denied and the employee desires to appeal the conditions or the denial, the employee may file an appeal with the Iowa Ethics and Campaign Disclosure Board.
