Statement of Organization

Form DR-1
Revised 07/2004

When do I file?

An Initial Statement of Organization must be filed within 10 days of the committee's accepting contributions, making expenditures, or incurring indebtedness exceeding \$750. Amended, or corrected, Statements of Organization must be filed within 30 days of any changes to this information. Penalties may be imposed for late-filed Statements of Organization. The statement may also be filed for purposes of using the shorter "paid for by" attribution if a letter is attached stating the \$750 will not be crossed.

Where do I file?

Iowa Ethics and Campaign Disclosure Board
510 E. 12th, Suite 1A
Des Moines, Iowa 50319
Fax: 515-281-3701
www.iowa.gov/ethics

Do not file amended Statements of Organization with each disclosure report - only when changes have occurred.

Candidates Note: New committees must contain candidate's last name within the committee name.

Is the committee required to name a treasurer, chairperson, and other officers? Can candidates serve as treasurer of their own committees?

The law requires that candidates name a treasurer who is an Iowa resident of majority age. It is allowable for a candidate to serve as treasurer. A PAC, however, may either maintain all of the committee's funds in an Iowa bank account OR have an Iowa resident serve as treasurer. The PAC must also name a separate chairperson.

Do I need a separate bank account?

Yes, this is required of all committees with only two exceptions. Candidates must maintain a separate account in an Iowa institution. It can be any type of account. If more than one, indicate "checking and savings", as appropriate. A PAC, however may either maintain all of the committee's funds in an Iowa bank account OR have an Iowa resident serve as treasurer.

Committees that are not required to open a separate account include a candidate's committee using only personal funds of the candidate, with no funds from outside sources including family members. The candidate should indicate in the space for financial institution "All campaign expenses paid from personal funds". The second exception is a group that is a permanent organization temporarily engaging in political activity to expressly advocate for the passage or defeat of a ballot issue, using only general funds of the parent organization. (Example: utility company using its funds to support utility franchise election.)
