Part B. Income sources. In the categories below list each source from which you received more than \$1000 in gross annual income during the previous calendar year. **The amount or value of the holding is not required to be listed.** This includes the total amount of any income received jointly with one or more persons exceeding \$1000. Do not report income received solely by your spouse or other family members. A source is reportable if the gross income produced was subject to federal or state income tax during the reporting period. If you have nothing to report under Part B check here.
