Re: Past due Reminder to Iowa Code section 68A.402; filing required on May 19, 2006

Dear Linda L. Andersen:

Citizens for the Election of Creasman Campaign Committee has not raised any money as of May 14 or May 19 for my campaign. I have not purchased signs or newspaper ads to date for this reason.

At this point in time I have not raised \$750.00.

It was my understanding that unless the threshold was crossed I didn't need to file reports.

I will review the requirements again.

I am mailing this to you and also sending it via email in case I need to be placing this information on a form.

Thank you for your patience,

Janice Doumakes Creasman
