\* Disclosure law requires candidate committees to disclose the relationship of any relative making a contribution to the committee. Relationship must be shown to the third degree of consanguinity (blood relatives) and affinity (relatives by marriage). If surname of contributor is the same as candidate, but there is no familial relationship, enter "not applicable" in the relationship column.

JAN 23 2007

\* Disclosure law requires candidate committees to disclose the relationship of any relative making a contribution to the committee. Relationships must be shown to the third degree of consanguinity (blood relatives) and affinity (relatives by marriage). If the relationship of contributor is the same as candidate, but there is no actual relationship, enter "not applicable" in the relationship column.

\* Disclosure law requires candidate committees to disclose the relationship of any relative making a contribution to the committee. The relationship must be shown to the third degree of consanguinity (blood relatives) and affinity (relatives by marriage). If the contributor is the same as candidate, but there is no family relationship, enter "not applicable" in the relationship column.

\*Disclosure law requires candidates to disclose the relationship of any relative making an in kind contribution to the committee. Relationship must be shown to the third degree of consanguinity (blood relatives) and affinity (relatives by marriage). (See Page 2 of forms packet.) If surname of contributor is the same as candidate, but there is no familial relationship, enter "not applicable" in the relationship column.
