The purpose of FEAPAC is to promote good citizenship through means such as, but not limited to, the financial participation of its contributors in the elective process at the state level of government. FEAPAC is not affiliated with any political party, but, instead, is organized and operated on a voluntary, non-partisan basis to protect, preserve, and further the American free enterprise system and the interests of the insurance industry, exclusively by influencing or attempting to influence the nomination or election of selected persons who are candidates for nomination or election to statewide elective offices and candidates for the state legislature, who are or may be believed to be in general agreement with the foregoing objectives.
