---

The above named committee filed its May 19, 2010 campaign disclosure report by paper instead of the Board's electronic filing system as required by Iowa Code section 68A.401. This resulted in the Board's staff data entering the report into the Board's electronic filing system.

In lieu of assessing a civil penalty pursuant to Board rule, the committee is instead admonished to exercise care in the future to ensure that all campaign finance statements and reports are filed electronically via the Board's Web site as required by Iowa Code chapter 68A.
