)

The above named committee filed its May 19, 2010 campaign disclosure report on May 20, 2010. In lieu of assessing a civil penalty pursuant to Board rule, the committee is instead admonished to exercise care in the future based on the following:

1. The committee experienced difficulties logging into the electronic filing system and needed its password reset. However, these difficulties were not encountered until after the Board's regular hours of business and after the time period for when the report should have been filed.

The Board will expect that all future campaign finance reports will be filed in a timely fashion as required under Iowa Code chapter 68A.
