

Response to DE Employee Request for Consent to Sell

Employee Name and Job Title: August 13, 2013

Division, Bureau: Standards and Curriculum

Date of Request: August 8, 2013

Date of Agency Determination: August 14, 2013

Determination¹: Consent granted without condition

Summary of Request and Rationale for Determination:

Stefanie Rosenberg Wager, a social studies education consultant, seeks timely permission to sell the service of being a supervisor to a student teacher during night classes for Grand View University (Grand View) in Des Moines, Iowa.

Grand View has a teacher preparation program which is regulated by the Iowa Department of Education (IDE). Otherwise, this agency does not regulate Grand View, which is a private post secondary institution. The supervision provided by Ms. Wager is part of the teacher preparation program. However, in her position with the IDE Ms. Wager has no regulatory authority over Grand View or any other nonpublic post secondary institution. Ms. Wager will provide this service outside of her regular working hours.

Therefore, the sale of the service of providing supervision to a student teacher as aforementioned for Grand View will not cause Ms. Wager to advocate on behalf of any entity, does not benefit, or prejudice any regulated person or entity, and does not result in a conflict of interest per section 68B.2A.

¹ If the determination is a denial or a conditional consent, the employee may file an appeal with the Iowa Ethics and Campaign Disclosure Board pursuant to rule 351—IAC 6.11(6).
