

**Blanket Consent for DOT Employees and Officials to
Engage in Certain Types of Sales or Leases**

The Director of the Iowa Department of Transportation hereby gives blanket consent to the officials and employees of the Iowa Department of Transportation to engage in the following sales or leases in respect to personal businesses they may own, operate or be employed by:

1. A sale or lease in the ordinary course of business to a person subject to driver licensing laws unless the sale or lease relates specifically to driver licensing functions;
2. A sale or lease in the ordinary course of business to a person subject to vehicle registration or titling laws unless the sale or lease relates specifically to vehicle registration or titling functions;
3. A sale or lease in the ordinary course of business to a person subject to vehicle equipment regulations adopted by the Department unless the sale or lease specifically relates to this regulatory function; or
4. A sale or lease in the ordinary course of business to a person subject to aircraft registration laws unless the sale or lease specifically relates to aircraft registration functions.

This blanket consent does not authorize a sale or lease involving unique facts that would affect the official's or employee's duties or functions with the Iowa Department of Transportation, would give the buyer an advantage in its dealings with the Department, or would otherwise present a conflict of interest under Iowa Code §68B.4. **This blanket consent shall remain in effect until otherwise modified by the Director or specifically revoked upon written notice to the official or employee.**

Dated this 14th day of August 2006.

Nancy J. Richardson, Director
Iowa Department of Transportation
