

Some advertisements were placed by the Citizens for Responsible Government Spending that did not state the address of the organization or the name of a committee officer. All documents are now on file with the Iowa Ethics and Campaign Disclosure Board.

NOTICE

During my recent campaign for Davenport City Alderman, a brochure setting out reasons to vote for me did not include an attribution statement. My campaign committee paid for the brochure and apologizes for the omission. Paid for by Bill Lynn, 1835 Walling Court, Davenport, IA 52803.

The 4 photo ad in support of the school bond issue was paid for by the "Yes For Kids" campaign, Committee Chair Becky Whitman - Mt. Vernon

Sharon,

I am writing you to document our phone call this morning regarding my campaign material. As we discussed, I failed to include an attribution statement listing that my postcards/handouts were "paid for by Rutledge for Auditor Committee."

Prior to realizing my error, I had distributed approximately one dozen pieces to close friends & family. To correct this issue, I have added the attribution statement to all of the remaining postcards/handouts. I am currently in the process of re-distributing the corrected postcards/handouts to those individuals who received the originals.

Thank you for your assistance in this matter. Please feel free to contact me if I am required to take any further actions.

Sincerely,

John Rutledge
