

In June of 1998 the Floyd County Board of Supervisors Mark Kuhn, Leo Staudt, and Arlin Enabnit took a chance on a 31 year old Lieutenant of the Floyd County Sheriff's Office with six years experience and unanimously appointed me interim Sheriff. Since that time the Floyd County Sheriff's employees and citizens have supported and re-elected me starting in November 1998, 2000 and 2004.

I have demonstrated and proven that you made the right choice and I ask that you make the right choice again and re-elect me November 4th.

On October 24, 25, 27 and 28, 2008 ads were published that advocated my re-election for sheriff with an improper attribution statement as required by Iowa law. The ad should have said "Paid for by Lynch for Sheriff."

Thank you for your support.

“On several occasions recently ads appeared with incorrect attribution statement on them. On August 19 postcards were also mailed that had incorrect attribution statements. These should have said paid for by “Lynch for Sheriff”.
