

# Man arrested for alleged sexual assault

The delays are due to receiving the permits needed for fiber installation. It will take even longer for the fiber installation permits that extend over U.S Highway 69.

The new predicted date for the installation for Ames High School, Ames Middle School and Edwards, Meeker and Mitchell elementary schools is Aug. 22. The rest of the schools will be pushed back until Sept. 22.

Conterra has not yet been utilized by school districts in Iowa, but is one of the nation's only hybrid alternative access providers.

Scott Dalrymple, representative for Conterra Ultra Broadband, tried to sway the board to look at the new possibilities.

"You need a world-class transport network," he said. That's what we do that's what we do pretty well."

Documents were requested of Windstream to show day-to-day and week benchmarks for the school board

- 2014-15 budget approval.
- 2014-15 certified staff reappointment.
